Tyler Elbrecht**

Clinics Designed for
Individual Player Improvement
Clinics are open to players of all ages.

During the rigorous winter hockey season it is very difficult for any player to focus on his or her personal skill development. As in any team sport, most coaches are forced to spend so much time on the improvement of the team and its understanding of the overall game, that the basic fundamental skills of the individual player are sacrificed.

Tyler Elbrecht's Summer of Skills Hockey Clinic's
are
THE ANSWER
for the focus on those individual skills.

You customize your summer hockey program to fit **your individual needs**. Over the course of the three days of each skating clinic, students will receive **7.5 hours of On Ice**, and **2.25 hours of Off Ice Instruction** from Missouri Maverick's, **Defenseman Tyler Elbrecht**. Our goal is for each student to come away at the end of a session with the sense that they have made **significant improvement** in the area(s) of their choice.

We offer **top quality instruction (7:1 instructor to student ratio)**, with **reasonable prices** at **convenient times** for the individual player in the following areas:

Program	Date	Time
Stickhandling & Power Skating	July 11, 12, 13	10:30am – 2:00pm

Shooting, Scoring & Small Area Games	July 18, 19, 20	10:30am – 2:00pm
Defensemen's Skills & Checking	July 25, 26, 27	10:30am – 2:00pm

The cost for all **out skater** programs is **\$125.00 each** and is open **to students of all ages**.

The off ice segment of the program will include chalk talk and film presentations in the arena's meeting room, by the clinic instructors.
