

## Helpful Informa-

- Dress your skater appropriately for the cold; Pants, jacket, gloves.
- Arrive 15 minutes prior to the start of your lesson. This will allow skater time to get ready for class.
- Parents/spectators may watch from the BLEACHERS or LOBBY only! Commotion near the entrance to the ice can cause distraction for many skaters.
- Practice, practice, practice! The best way to improve is to practice. Be sure to allow your skater plenty of practice time, why not attend a public session?!
- All skating related information can be found on our website: [www.eastaltonicearena.org](http://www.eastaltonicearena.org). Session schedules are located around the rink. Skating information is also located on bulletin board by skate rental.
- Be sure to check out the Skaters' Edge Pro Shop for any of your skating needs.
- Contact Katie, our skating director for any of your skating needs: [ea\\_skating@yahoo.com](mailto:ea_skating@yahoo.com).
